

INDIVIDUAL DONORS

While the RFCC has always welcomed individual donors to make contributions in any amount, for the current campaign there is a particular focus for individual donations. As you can see from previous pages in this brochure, we have many programs aimed at youth. In addition to our summer camp and our afterschool program for children in kindergarten to fourth grade, we run many youth leagues and sports camps. We want to make those youth leagues and camps a focal point for individual donations.

Based upon our first three years of operation, we have determined that raising \$20,000 per year for the Youth Development Scholarship Fund would allow us to make all leagues and sports camps tuition free for all youth in sixth grade and under. It would also hopefully increase youth participation in those activities as well. If fundraising does not reach that goal, we will offer scholarships based upon the actual funds raised.

For individuals who are members, any contributions that exceed the value of membership dues are considered charitable donations. To respect the wishes of individual donors, the individual donation form allows the donor to designate how their gift is to be used:

- 1) Youth Development Scholarship Fund.
- 2) Capital Replacement Fund.
- 3) No preference.

The RFCC will issue charitable contribution statements at the end of the year for contributions totaling \$250 or more during any one year. Special recognition will be given to individual donations as follows:

- Any individual designating \$500 or more to the Youth Development Scholarship Fund over the 5-year period will be listed as a sponsor on the back of t-shirts issued for youth leagues/clinics.
- Any one-time contribution of \$500 or more will be recognized on the RFCC donor wall in the reception area and on the RFCC website and Facebook page.
- Any donor committing \$5,000 or more over a five-year period will be recognized as a Leadership Donor on the RFCC website and Facebook page and via a banner in the gymnasium. Banners will recognize the years of the donor's support.
